

# Dispos-A-Vue-100

## Disposable Face Shield

Wearing a face shield while treating patients or customers can protect against airborne respiratory droplets that can transmit viruses, such as from coughs and sneezes. The **Dispos-a-Vue-100** is a comfortable infectious disease control face shield with elastic attachment and foam forehead cushion.

### Face Shield Specifications

- Lightweight full coverage face shield 10.5" x 14"
- Optically clear polycarbonate for maximum visibility
- Adjustable elastic head band
- Comfortable 1" thick polyether urethane foam barrier for forehead protection
- Can be worn with or without glasses
- Disposable and cost efficient

### Features and Benefits

- Removable protective layer on both sides of polycarbonate
- Protection against bodily fluids, blood pathogens or harmful chemical splashes (not good with bases or hydrocarbons)
- Flexible material allows for comfortable wearing
- Can be worn over protective eyewear, hair net and face masks

Quantity	Per shield price	Price per case
12 pack	\$5.00	\$60.00
1-10 cases (60 shields per case)	\$4.00	\$240.00
